

## **Booking and payment conditions of Hotel Allalin & Apartments**

### **Room & Board during Summer School in Saas-Fee**

Full room & board (**all meals on campus are compulsory**) is exclusively provided by our EGS partner, **Hotel Allalin & Apartments**. Single and shared double rooms are available in residence buildings and in neighbouring hotels.

Our partner Hotel Allalin & Apartments provides the campus facilities called Steinmatte to EGS University free of charge and has to cover the rent and running cost through the payment of the students' accommodation and board. Only with this synergy, are Hotel Allalin & Apartments and EGS able to provide competitive rates/fees for room, board and tuition.

**Students therefore are not allowed** to book accommodations during their stay in Saas-Fee in any other hotel or apartment but the official EGS partner, Hotel Allalin & Apartments.

Students can only be exempted from this agreement if:

*Students have direct relatives or family members owning an apartment in Saas-Fee and can prove that the apartment used during their stay in Saas-Fee is being put at their disposition free of charge by the owner of the apartment.*

There are also special rates for family members or friends visiting during summer school.
